

Business Advising

Whether you are starting, building or expanding a small business, our professional advisers can help you plan for a successful business. Confidential business advising is available, BY APPOINTMENT and at NO CHARGE. We recommend that you take advantage of the Aurora business seminars prior to meeting with an Aurora BDC advisor in order to make your time with them as productive as possible.

Customized Training

If your organization has a need for training on specific small business topics, contact an Aurora BDC advisor to develop and deliver a custom program for you.

In addition, ask about the **Aurora Technical and Business Advisory Team (ATBAT)** for connecting with experts in specialized fields.

Loan Programs

Revolving Loan Fund

A Small Business Revolving Loan Fund (RLF) is available to existing businesses within Aurora's city limits, with particular emphasis on aging commercial corridors, including Colfax, Havana and Montview. Priority will be given to businesses that meet criteria based on the redevelopment goals of the city.

The Aurora BDC is a certified Technical Assistance Provider for the SBA's Community Express Loan Program. Our advisors will assist you in preparing the loan application and provide technical assistance and counseling to you at no charge for the term of the loan.
