

The Aurora Business Development Center
presents:

Health Care Reform

How it will affect your business

Thursday, October 7th, 1:00 - 3:00 PM
at the

Aurora Municipal Center
15151 E. Alameda Pkwy., Aurora, CO 80012
(Alameda & Chambers, just east of I-225)
2nd Floor Aspen Room (next to the City Café)

Join us for an important workshop in June regarding health care reform. Health care reform legislation was signed into law by President Obama just two months ago. While many of the new law's provisions will not take effect for several years, several important provisions affecting all businesses, big and small, will take effect before year's end. Learn about the new law and its impact on the small business community. Get your questions on health care reform answered by labor, benefits and payroll experts.
